

In this edition: Supporting R U OK? Day 2022, Pedersen Group unveils Debarker plant, Behind the scenes of C3 Tasmania, LINX Newcastle celebrates milestones, ACS supports a great cause

14 October 2022 - Edition No.41

Supporting R U OK? Day 2022

In September our teams across the country once again supported R U OK? Day, a day dedicated to reminding us to check in with our work mates, friends and loved ones.

This years theme was *No qualifications needed*, an important message needing to be shared with research conducted by R U OK? revealed four out of ten Australians felt that asking someone, 'are you OK?' might start a conversation better had with an expert.

Simply listening and giving someone your time may be just what they need to help them through.

Thank you to all of our wonderful teams on site and in the office who supported this day and checked in with each other around a bbq or over a cuppa.

Pedersen Group unveils state-of-the-art export log Debarker facility

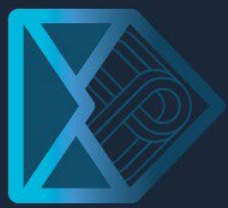

Showcasing world class innovation, Pedersen Group recently unveiled its new Nicholson A5 Series High Speed 35” Tandem Ring Debarker plant at its Kinleith, Tokoroa site in New Zealand.

The efficient and precise machine removes the need for manual debarking - a costly and time consuming process not suitable for such large volumes.

When logs are fed through the Debarker, high-speed swing arm knives scrape off the bark, removing the threat of insect pests.

The new plant boasts an impressive annual capacity of 600,000 tonnes.

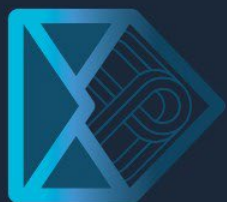

Behind the scenes of C3 Tasmania operations

Some great shots from our new video showcasing operations in the picturesque C3 site at Burnie, Tasmania. The video will be released in the coming weeks and will be largely used for internal training purposes.

WE ARE ONE

Around LINX CCG

LINX Newcastle celebrates milestones

*Pictured: Todd Isaacs, Brad Gough, Scott Young, **Ray Murchie**, **Matt Grech**, Gavin Hunt, Ray Studdert*

Recently LINX celebrated ten years of stevedoring in Newcastle. Some further milestones were recognised with Ray Murchie notching up 35 years of service and Matthew Grech achieving 24 years.

Congrats to both Ray and Matthew on their achievements, and the entire Newcastle team.

Autocare team raises funds and awareness

Pictured: Ash Yeo-Megeney, Elton Grant, Lisa Macdonald, Grant Reibelt, Craig Wallyn

After losing her mum two years ago to cancer, Processing Ops Manager Lisa Macdonald wanted to do something to acknowledge her fight, raise funds and awareness. With the support of her teammates, bobs or beards were shaved for a great cause, raising more than \$1000 for *World's Greatest Shave*. Well done to the team and thank you to all who donated.
